

# Rapid Pay Income Replacement<sup>sm</sup>

## FOR SHORT TERM DISABILITY

*The Industry's Fastest Claim Payments—Endorsed for ABC Indiana Chapter*

### The Waiting is Over!

Rapid Pay Income Replacement provides advance payments to a disabled employee, while the claim is being adjudicated.

### The Problem with Traditional STD

During the typical STD claim process, the weak link is the time lost in seeking necessary information from the physician. Lengthy delays in issuance of benefit payments is the result, which can often take 4 or more weeks. **For most household budgets, the first 4 weeks are the most critical.**

### Did You Know?

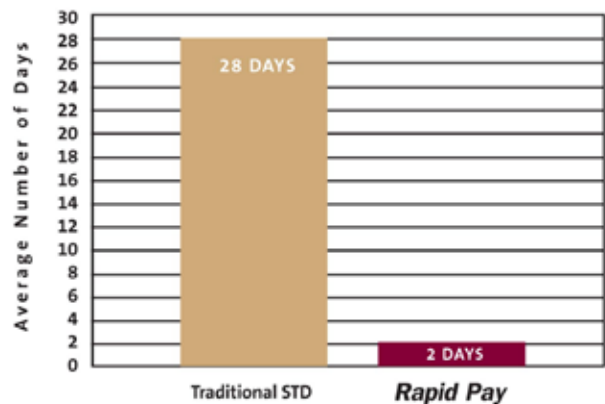

- 71% of American employees live paycheck to paycheck
- Many claimants don't receive a disability check until they are already back to work

### Switch to Rapid Pay!

Rapid Pay fixes the problem by providing payment to the employee in 2 days – it's that fast!

If you have ever had a problem with an STD claim, convert to Rapid Pay Income Replacement and notice the difference immediately!
