

# FCCI Knows Contractors

**FCCI has been helping contractors manage risk since 1959. Our founders were contractors. Today, more than 40 percent of FCCI policyholders are contractors, just like you.**

**FCCI Contractors Select is an insurance program designed especially for eligible ABC Indiana/Kentucky Chapter members.**

Benefits include:

- Tailored commercial package, auto and umbrella policies
- Local designated service teams for claims, risk control and underwriting
- Convenient online resources including FCCI Employers Edge, featuring human resources management, risk control and employment law information

FCCI Contractors Select also includes a group dividend plan based on the combined loss experience of participating members.
